Dear Jerry,

I just want to express my appreciation in your allowing air time for PSA's for the St. Joseph Summer Fun Festival. We on the festival committee are thankful for the increased awareness from TV 31 that will facilitate our fund raising efforts.

Our Washtenaw County Chapter of MADD also expresses our gratitude for a future working relationship to reach more households with our Mission statement:

"To Stop Drunk Driving and to support the Victims of this Violent Crime."

In closing thanks for taking time out of your busy agenda to make time for me, your efforts do not go unnoticed.

Respectfully Submitted,

Dear Gillian,

Thank you and TV 31 staff for providing the Michigan Department of Social Service Volunteer Program the opportunity to make a Public Service Announcement. I have had many calls from the local viewing area, both informing me the message was seen on TV 31 and also that we needed to update the phone number.

Your station provides local organizations a significant outlet for getting our message to the community. We have received numerous calls to volunteer through this announcement. Again, thank you Gillian for asking and allowing us the time.

Looking forward to working with you in the New Year.

Sincerely,

Dear Mr. Webb:

The Alzheimer's Association - South Central Michigan is very appreciative of TV 31's help in reaching those affected by Alzheimer's Disease in your viewing area. From the 4:30 "Preview" PSA we have received many calls on our special event, the Memory Walk. Calls have come from the local area, Jackson, Lansing and Walled Lake. We have also received calls from people who saw the PSA and wanted information about the disease itself. This much response has been a pleasant surprise!

Your station has certainly helped with community awareness of Alzheimer's Disease, and it was a pleasure to work with Gillian Ferrington. We look forward to the time you start showing the 60 sec. PSA. If it generates nearly as much interest as the "Preview" has, we will reach many more people.

Thanks again for your help. You will receive a Certificate of Appreciation from our Board of Directors in the near future.

Sincerely,

Mary Helen S. Gilbert

Dear Gillian:

I can never say "thank you" enough to you, Jerry, the official staff and crew members of Channel 31 for the continued support of the "One Child" show. Believe me when I share that the show continues to make a very positive impact in finding homes for children.

Two more children interviewed on the show are in the process of adoption. They are Phillip and Jessica with Lutheran Adoption Service. Both appeared in the September, 1990 tapings. Will you kindly remove **both** from viewing. We were pleased when the Agency called to share this information. As a reminder, the first show featuring Alicia and Demon should not be shown either as they both had found a loving home; however Demon didn't work out.

I look forward to March 19 for the next tapings. To date, I do not know who will be our guest. Several agencies have shared a desire to have at least one child there.

Cordially,

Dear Gillian:

Thank you so much for making another public affairs video for our second *Preconception and Pregnancy for Women With Diabetes* classes. It is so helpful to have this type of advertising for our Diabetes programs. Last time when you ran the Preconception video I had several calls but no one was able to sign up because they were busy that day. However, their encouragement helped me to decide to offer the classes again. So, as you know we're offering the second one in November and I expect to get some calls from the video that you are running for us.

With the *Life With Diabetes* class series video that you have been running, again that is very helpful. I have had many prospective participants call because of the ad. I have had at least one of these attend the class series. This is a significant and valuable service for all persons with diabetes and for our program. Thank you so much.

I also want to say that you are very efficient and thoughtful of others time. You are on time for your appointments and you make the video quickly and easily. That is very helpful for my busy schedule. It has been a pleasure working with you and I hope we continue working together.

Dear Ms. Ferrington;

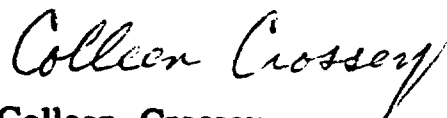

This letter is to express our appreciation for the time and energy you put into the Alcohol Awareness Week project.

We received contributions, funding or volunteer help from a total of 60 University departments, student groups and businesses in the community. This was the first time the University of Michigan tried a project like this one, and it was very encouraging for us to receive so much support.

We hope to keep this enthusiasm going throughout the year by educating students at the Student Alcohol and Drug Education Center. This center we hope to establish with the assistance of E. Royster Harper, the Associate Vice President for Student Services.

In the future, we hope the University of Michigan and the Michigan Student Assembly can sponsor social events so that students can enjoy their college years without experiencing the traumas that accompany excessive use of alcohol.

Sincerely,

Dear Chris:

Thank you. We can all look back on 1990 and be proud of our efforts during the annual Columbia Cable Toys For Tots Program. The 1990 toy drive surpassed last years toy collection totals; rewarding our effort with over 2,500 toys collected.

There is very little that words could express to reflect the wonderful smiles and happiness that these toys brought to many less fortunate children in our community. Just knowing of those smiles and that happiness is truly rewarding enough! I am sure that if these children could; they would reach out and personally thank everyone that contributed to their very Merry Christmas.

Hope your holidays were as joyous and 1991 will find you and yours happy and well.

Dear Mr. Webb:

Enclosed is a copy of the 1990-91 "Let's All Work to Fight Drug Abuse" journal which you so graciously co-sponsored and for which I extend this letter and certificate of thanks.

As you can see, the L.A.W. journal is an extremely comprehensive and concise document and we have already had numerous requests for copies. We are currently distributing this "educational tool" throughout schools, businesses, organizations and agencies in the Washtenaw County community and, in doing so, I wanted to be certain you received a few copies.

Along with this journal, I would also like to extend to you the services of Deputy Jon Scicluna, who is our Substance Abuse Prevention Specialist. He is available, upon request, to visit your workplace and/or organization to present a specialized program on Substance Abuse Prevention initiatives. If you wish to take advantage of his outstanding, informative presentation, please contact him at 971-4614.

Again, I want to take this opportunity to personally thank you for making the publication of this journal possible and for investing in our community's drug-free future. It is only through commitment and support such as yours that substance abuse prevention will become an integral part of our lives and our community. Also, if you wish to receive additional copies of the journal, you may contact our office at 971-4978.

If ever I may be of assistance to you, please do not hesitate to contact me.

Dear Gillian,

Thank you so much for all you have done to help promote Matthaei Botanical Gardens second annual Flower and Garden Show. The day after you ran the 1/2 hour TV program we got calls asking about the Show and running our .30 second commercial several times has been a real boost.

Gillian, I mentioned before that we will be placing TV 31 on our donor board. There are two places where this will occur: on the Donor board inside Yost Ice Arena during the Show and on the Donor Page inside the Flower Show Program.

I have enclosed two complementary tickets to the Show for your enjoyment. I know you will find it fascinating especially since you like gardening.

Again, thank you for supporting the Gardens and the second annual Flower and Garden Show.

Dear Blackstar Communications :

On behalf of the UNCF Washtenaw County Campaign, our sincere thanks for your help in making our fifth annual fundraising event, "Our Children, Our Future," an outstanding success.

We are pleased to tell you that the event generated more than \$108,000 in support of the United Negro College Fund. What is also gratifying are the calls and letters we've received from all segments of the community telling us this was a unifying event that will have far-reaching effects for a long time to come.

Thanks to the generosity of businesses and individuals like yourself, the UNCF Washtenaw County Campaign has raised a total of \$204,477 in the 1990-91 campaign year, our most successful year ever.

We are already making plans for 1991-92, and look forward to your continued support. Again, on behalf of the deserving students who now can look forward to a college education, thank you for your generous contribution of \$100.

Sincerely,

This letter is to thank you for letting me come and tape a public service announcement at your studio in February. I really enjoyed the experience and appreciated the professional care taken to produce it.

I wanted to let you know of some upcoming events here at Washtenaw Literacy that may interest you.

- April 22-28 National Volunteer Week
- April 28 Learning Disabilities Inservice 9:30 am

Re: Comments on whether Home Shopping Stations are serving the "Public Interest, Convenience, and Necessity."

Dear Sir:

I am Vice President and General Manager of WBSF-TV 43 licensed to Melbourne, Florida and serving the Orlando-Daytona Beach-Melbourne ADI. The purpose of this letter and accompanying supporting documentation is to provide evidence that WBSF, which has home shopping (HSN) as its primary programming format, is fulfilling its public interest programming obligation as well as, if not better than, other stations in the market. Since we are fulfilling that public interest responsibility, we deserve and must be treated like other TV stations in the market and be included in the implementation of must carry.

The unique format of HSN gives us a four and a half minute break in each hour, 24 hours a day. Typically, in each hourly break, WBSF runs a locally produced community affairs vignette (called "Update") covering a broad spectrum of issues which we have ascertained from the community leaders to be relevant. Each Sunday morning we air a half-hour show ("Update-Sunday Edition") which provides a forum for more in depth coverage of issues of interest to the community. "Community Bulletin Board" consists of 60 second announcements produced weekly to publicize the various events sponsored by local non-profit service oriented groups. The enclosed sample of the ongoing community praise and support we receive, as a result of our programs and staff involvement, attests the effectiveness of our public interest philosophy.

WBSF also has a weekly children's hour where we air two half hour programs specifically designed with the educational needs of children in mind. These programs contain no commercial announcements.

To demonstrate the quantity and depth of our public interest programming, we compared our non-entertainment community affairs programming for a typical week (9/19/92 - 9/25/92) to that of the other commercial independent stations in the market. The results of the analysis (copy attached) showed that WBSF aired more public interest programming than any other commercial independent in the market.

This station has not been profitable prior to Blackstar's acquisition (April 1988) and affiliation with HSN. With the HSN affiliation the station is economically viable and can, therefore, remain on the air and continue to be a voice providing locally originated programming which is in the interest of the Central Florida viewing public.
